#### **Night Events**

All campers are welcome to take part in evening and night activities regardless of day camp or sleepover status.

#### **Morning Assembly**

Find your way to the Great Room every morning after breakfast and before Core Classes to hear the day's announcements. Be in the know!

#### **Recording with Your Heroes**

Each instructor will be coaching and recording with a group of 3 or 4 campers – this is determined by a drawing that happens on the first day of camp. You will have scheduled time each day to connect with your instructor/recording group to decide on a song and get an arrangement together. If you ask nicely, you might have the option of additional rhythm guitar, fiddle, or vocals on your recording! On the day of the recording, all the campers will gather in the studio (Andy's House) for a brief workshop on the recording process and then each of the groups will record their song – each group can take a couple of passes at the recording so there's no need to be nervous. Before and after the recording time, all instructors will be selling their incredible recordings and instructional materials up in the Great Room. Don't miss that!
